GENERAL RULES

- All CT and Intro Level Tests will be ridden in a small arena. All Training Level and above Tests will be ridden in a large arena. Stadium and Jumper Rounds will be held in a fully enclosed arena with sand footing. Lunging is permitted in designated areas and will not be permitted in the arenas, warm-up or grass. No one is permitted in the warm-up arenas on foot or permitted to sit on the fencing.
- All competitors may carry a whip. Pre-Amoeba, Amoeba, and dressage-only competitors may use a caller for dressage. **COMPETITORS** are responsible for arriving on time for their dressage test.

- All jumper rounds will be judged on faults and time taken EXCEPT Pre-Amoeba which will be judged on faults only. Cross Country jumper rounds will be judged both on faults and closest time taken to optimum for that level.
- To prevent elimination at Pre-Amoeba and Amoeba Levels a ghost score will be given for any fault warranting elimination and ribbons will be given through 6th place to competitors that complete both phases. Scores given the ghost penalty will not be eligible for GDCTA submission.
- Show management may divide classes if entries warrant. Junior and Young Riders must provide birth date on entry. For TOC, state test on entry. All entries are processed on a first come, first served basis. Management reserves the right to split or combine classes. *Classes will be run as "OPEN" for scheduling purposes.* Management reserves the right to combine, divide, or cancel classes or championships specified in this show sheet.
